- Once you have registered, check your email for a validation email from WTVE.
- Once you check the email address you provided, you will find an email message with your WatchTVEverywhere activation link. Click on the link to complete the registration process.
- You are done and can begin to enjoy WatchTVEverywhere.
- Because WTVE can be viewed on multiple devices you will have to login on each device to activate on the different devices. For streaming on your TV go to the app store and download the network from WTVE you wish to view. You will need to authenticate on that device the first time it is used. Follow the instructions on your TV to activate.

It is important that you keep your username and password confidential. Use of your credentials by others will result in loss of WatchTVEverywhere privileges.
